EC – CERTIFICATE OF CONFORMITY

1358 – CPD – 0048

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

ELASTOMERIC BEARING TEHNOPREN

Types: type I - laminated bearing with one steel reinforcing plate
type II - laminated bearing with at least two steel reinforcing plates

is designed for use in buildings and civil engineering works. It is designed and manufactured to accommodate translational movements in any direction and rotational movements about any axis by elastic deformation, in order to transmit in a correct manner from one structural component to another, the design forces and accommodate the design movements derived from structural analysis.

Depending on the type are combined complementary bearing devices to extend their field of use or limit their effect in any direction. Where exceptional environmental and application conditions are encountered shall be the condition precisely defined. The product is

placed on the market by

TEHNOGUMA d.o.o.
42220 Novi Marof, Moždenec 1H
Republic of Croatia

and produced in the factory

TEHNOGUMA d.o.o.
42220 Novi Marof, Moždenec 1H
Republic of Croatia,

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the Notified Body No.1358 Výskumný ústav dopravný, a.s., has performed the initial type testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 1337- 3: 2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 08.08.2011 and remains valid **until 07.08.2013** as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
